Subject: materials ready to review Tuesday

Sandy,

The copies of identified minute pages you noted and requested have been made and are back in my office.

Yesterday, I should have picked up the other board min copied from the official bd book instead of the ones printed off their computer in the hasty effort to meet the original production goal but I left downtown without transporting them back to my office. I expect they will be delivered here Monday, but to be safe, would Tues am work for you? It's late and Robert is not hear right now. I have paged him to see if Tues works. I should hear from him by monday.

Thank you,
Gary Lawson
