To Whom It May Concern:

On October 25, 2004 we first received your letter of August 4, 2004 and the multiple open requests described therein. We had never before seen your letters and have never seen the referenced exhibits. We assume that the attachments are significant to your requests and need you to provide them by return mail so that we can better respond to your needs. We will await their receipt before providing our responses.

As we have many times in the past, we again ask that you send requests for information directly to us, as we are not housed in City Hall.

A handwritten signature in blue ink that reads 'Richard L. Tettamant'.
