Dear Mr. Noelke:

RE: OPEN RECORDS RULING OR2003-2325

Please be advised that the Dallas Police and Fire Pension System (the "System") has failed to produce documents responsive to categories one and three as requested in my Open Records Request of January 21, 2003, and pursuant to instructions set forth by the Office of the Attorney General in its Open Records Decision [OR2003-2325](#).

In a letter to my attention of April 30, 2003, (copy enclosed), Mr. Gary Lawson, Attorney, states that a suit has been filed by the Dallas Police and Fire Pension System against the Attorney General regarding the subject Open Records Decision. As the requestor of the information, please be advised that I remain enthusiastic about the release of the subject public documents and, as such, look forward to your assistance in ensuring the System's compliance with the Attorney General's ruling of April 7, 2003.

Please advise should you have questions, comments or require additional information.
Thank you.
