“We are honored to have NABA members serve on The Texas State Board of Public Accountancy as advisory committee members,” said Steven Harris, CPA, NABA Board Chair. “The selected NABA members are all exceptional professionals and leaders in their companies and communities. I anticipate each member will be a tremendous asset to their respective committee and represent NABA’s unwavering commitment to diversity and inclusion.”

“The Texas State Board of Public Accountancy is very proud to announce the appointment of several NABA members as advisory members to various Texas Board committees,” said TSBPA Executive Director William Treacy.

Former Presiding Officer J. Coalter Baker, CPA made the appointments. During his 11-year tenure on the Board, he witnessed an increasing diversity of candidates who attend the swearing-in ceremonies for new Texas CPAs. “Texas is a dynamic place to live and work,” Baker remarked. “Our profession must continue to be dynamic as well. We must draw upon the talents of individuals with fresh ideas and diverse backgrounds to meet this challenge. The Board committees require this as well. The individuals appointed have stellar professional backgrounds and a willingness to help the Board meet its primary task of protecting the public.”

“The TSBPA uses a committee structure to assist with the regulation of the practice of public accountancy in accordance with the *Public Accountancy Act, Chapter 901 of the Texas Occupations Code*,” Treacy said. “To protect the public and ensure competence in the practice of the profession, the Board examines, certifies, and licenses CPAs. The committees make recommendations to the full Board for its consideration and approval. The functions of all of the committees are essential to the administration of the *Act*. Advisory committee member CPAs are appointed for their experience in relevant areas. These advisory members are a tremendous asset to the Board because they augment the talents of Board members and bring an added dimension of skills and expertise to the important work of these committees,” he concluded.

## **UNAUTHORIZED PRACTICE OF PUBLIC ACCOUNTANCY**

### **Help Us Identify Unlicensed Individuals and Firms Offering Accounting Services**

Over the last three years, the Board's Unauthorized Practice of Public Accountancy Program has identified more than **1,700** unlicensed individuals and firms claiming to be CPAs or offering accounting or attest services to the public. Although this program has been very successful, we know that there continues to be false or misleading advertising. There are approximately 70,000 licensed CPAs in Texas who can help protect the public from individuals and firms misrepresenting their qualifications.

If you suspect websites, signage, business cards, letterheads, or other marketing materials that are false or misleading, you may report it by calling **512-305-7866** or email [enforcement@tsbpa.texas.gov](mailto:enforcement@tsbpa.texas.gov).
