B. DISCUSSION AND POSSIBLE ACTION REGARDING ITEMS FOR INDIVIDUAL CONSIDERATION

1. Administrative and Professional Services Budgets review for the first six months of Calendar Year 2008

The staff presented a review of the Calendar Year 2008 Administrative and Professional Services Budgets detailing expenditures for the first six months of the calendar year. Actual overall expenses for both the Administrative and Professional Services budgets were under the prorated 6-month budget. Administrative expenses incurred were about 90% of prorated expenses for the first six months of the year. The non-investment management portion of the Professional Services expenses was about 80% of the 6-month prorated budget. Expense items that exceed budget by more than 5% were explained in the review.

Due to the timing of receipt of investment management expenses, those expenses were not reported for the six-month period; however, a budget adjustment for the expenses paid under the Retention Incentive Compensation program as approved by the Board was included. No other mid-year adjustments were requested.

Included in the attached was a review of expenses allocated to the Supplemental Plan on a pro rata basis on the ratio of Supplemental Plan assets to the total assets of the Group Trust. Expenses were approximately 16.4% less than projected for the first six months of the year.

After discussion, Mr. Tomasovic made a motion to approve the Administrative and Audit Advisory Committee's (AAAC) recommendation to receive and file the CY 2008 six-month budget review and approve the requested adjustment to the 2008 budget.. Mr. Umlor seconded the motion, which was unanimously approved by the Board.

2. Dallas Police and Fire Pension Fund City department budget for Fiscal Year 2008-2009

Mr. Tettamant explained that the System is required to submit a budget to the City for City expenditures reimbursed by the System to the City. The expenses include the salaries and benefits of City employees of the System and property and liability insurance. There is only one remaining City employee. Though these items are included in the System's 2008 and 2009

budgets, they are separated for reporting to the City on the City's fiscal year cycle (October 1, 2008 through September 30, 2009).

3. City of Dallas actuarial audit

Mr. Tettamant explained that House Bill 2664 enacted in 2007 requires the City of Dallas to engage an independent actuary to audit the actuarial valuations of its pension systems. The work must comply with Texas Government Code Section 802.1012. The audit shall include a review of the valuations, in light of Actuarial Standard Operating Practices (ASOP) Nos. 27 and 35, for reasonableness, consistency and completeness at the time the valuations were completed. The City engaged Deloitte & Touche, LLP, to conduct the actuarial Audit.

Mr. Bret Linton and Ms. Jeannie Chen, of Deloitte & Touche, LLP, presented a draft report to the Board and responded to questions. Mr. Dave Cook, City of Dallas Chief Financial Officer, also was present and participated in the discussion. Mr. Linton stated that "Based on the actuarial reports and sample test cases we received, the actuarial valuations appear to have been prepared correctly and in a manner consistent with generally accepted actuarial practice, and the valuation results appear reasonable. In our review we did not discover any issues that rise to the level of serious concern." After further discussion, Mr. Linton reiterated that there were no material issues of concern found in the actuarial audit conducted by Deloitte & Touche, LLP.

After discussion, Mr. McCollum made a motion to receive and file the City of Dallas actuarial audit draft report. Mr. Edge seconded the motion, which was unanimously approved by the Board.

Thomas E. Devine	Fire	August 1, 2008
Jeffrey D. Livingston	Police	August 1, 2008

Mr. Tettamant stated that Section 6.03 (k) of the Plan requires the System to test the earnings of any Pensioner who first became a Member of Plan B on or after May 1, 1990 and who is receiving a disability pension. Mr. Devine's earnings test review was postponed.

After discussion, Mr. Wachsman made a motion, to reduce the on-duty disability pension benefits paid to Arnaldo Rivera by \$1,525.22 per month for the next 12 months, as required by Section 6.03 (k) of the Plan Document, subject to the final review and approval of the Internal Auditor. 8. Deferred Retirement Option Plan (DROP) interest rate for the period beginning October 1, 2008

Mr. Tettamant stated that Section 6.14 (c) of the Plan Document provides that interest will be credited to Member and Retiree DROP accounts determined at a daily rate equal to the arithmetic average of the annual market return on the System's investments for the preceding ten calendar years, as determined by the System's Qualified Actuary. The rate is restricted to a minimum of 8% and maximum of 10% and can change from one year to the next by no more than 25 basis points (0.25%).

Schedule D, supplement to the Actuarial Valuation Report as of January 1, 2008, prepared by Buck Consultants, reports the arithmetic average of the annual market return for the ten-year period ending December 31, 2007 is 9.64%. Based on this information, the Actuary determined that the DROP interest rate beginning October 1, 2008, should be decreased by 25 basis points from the current 10.00% to 9.75%.
